Hello

May 6, 2025 3:13 PM

Hello! How can I assist you today? I'm an AI here to help with any questions or information you need.

May 6, 2025 3:14 PM

Can you tell me about the Data Analytics Certification by Otic

May 6, 2025 3:14 PM

The Data Analytics Certification by Otic Foundation is part of their core programs aimed at empowering individuals with skills to analyze, visualize, and interpret data using tools like Python, R, and SQL. This certification equips you with the ability to make data-driven decisions and solve real-world problems effectively. Otic Foundation is dedicated to transforming lives through technology and AI, focusing on skilling, advocacy, and infrastructure to support innovation and sustainable development in Uganda. Would you like more details on the course content or how to enroll?

May 6, 2025 3:20 PM

Yes please

May 6, 2025 3:20 PM

The Data Analytics Certification by Otic covers learning to analyze, visualize, and interpret data using tools like Python, R, and SQL. It aims to equip you with skills to make data-driven decisions and solve real-world problems effectively. For enrollment, you can contact Otic Foundation directly via phone at +256 756722263 or +256 706867547, or email info@oticfoundation.org. They are based at the Innovation Hub, Nakawa. They will guide you through the registration process and provide any additional details you need. Would you like me to help you with the contact details or anything else related to the certification?
